DISCUSSION

1. Resource List for Community groups

Several additions have been made to the list. Helen circulated a new list with the recent town mailing. The list should be revisited on a regular basis.

2. Effective town communication

We continue to contact individuals who might serve as road captains. We'll continue to work on that list adding phone numbers and email addresses as they are available. Helen will convert the file back to excel so we can all work on it.

A brief discussion was had about training someone to serve as a manager or co-manager of the stamfordvt.org website

3. There was a very positive response to the recent town mailing.
